

MOVING CHECKLIST

This Moving Checklist Can Help Make Your Move a Smooth One!

At least 2 months before your move:

- ☐ Go through your belongings and donate anything you aren't using or don't want to move.
- ☐ Research and hire your mover.
- ☐ Start collecting important records that will need transferring such as school and medical records.
- ☐ Hold a yard sale or take unwanted belongings to a donation center.

4 - 6 weeks before your move:

- ☐ Now is the time to sort through everything in your garage! You'll be glad you did.
- ☐ Arrange for accommodations during your move if you will need lodging or assistance on the road or need to schedule flights.
- ☐ Call about new property insurance options.
- ☐ Schedule boarding options for your pet during the moving process.

2 - 3 weeks before your move:

- ☐ If you have children, consider finding them a sitter for moving day.
- ☐ Start packing rarely used items (i.e. holiday decorations, seasonal items, specialty kitchen appliances, etc.)
- ☐ Research storage options if your new home won't be ready when you need to leave your current home.
- ☐ Clean out the fridge, freezer and pantry.
- ☐ Notify the USPS, your banks, magazine subscriptions, employer and other important parties of your address change.
- ☐ Call utility companies to disconnect current utilities, transfer utilities or connect them in your new residence.
- ☐ Create a "no load" area for items that you want to bring with you.

2 weeks before your move:

- ☐ Schedule a professional to unhook your appliances just before moving day.
- ☐ Remove gasoline and fuel from mowers and other lawn tools (fuel cannot be placed in the truck).
- ☐ Contact cable or TV companies regarding moving satellite dishes or other equipment.
- ☐ Gather all warranties for items staying with the house and place them in a binder for the future owner.
- ☐ Have any prescriptions refilled.
- ☐ Confirm dates and times with movers.
- ☐ Consider hiring a cleaning service for move-out cleaning.

On moving day:

- ☐ Pack your valuables in the car with you.
- ☐ Go through each room, closet, and cabinet to ensure you leave nothing behind.
- ☐ Double check new address and contact information with the movers.
- ☐ Say goodbye to your former home and look forward to the future!
